Dear Richie Rich,
I like to watch your show on Sundays. In your show it is funny when Dollar thinks he's a hero and messes up everything. I like you in your comic book because you are very funny. I remember when Professor Keenbean invented that silly magic carpet. You look cute when you were a little boy in my comic book. I love you very much Richie. Your comic pal,
Maisie - Buffalo, NY

Dear Maisie,
That magic carpet ride sure was fun! The professor comes up with some great inventions for Dollar and I, and I am so glad that you enjoy them as much as we do. I am so happy to have a friend like you. - Richie Rich

Dear Sirs:
I am 19 years old and I've been reading Richie Rich comic books for as long as I can remember. I would like to see more of them because I think he is so adorable. I admire him for his kindness and his great personality. A long time fan,
Lynn Byars - Hazel Green, Alabama

Dear Lynn,
Richie's head is starting to swell after all of these kind words about him! Even though he as all of the money he will ever need, he can never be loved and enjoyed enough by his fans.

Dear Sir:
My favorite characters are all the ghosts because they're funny. I have seen a movie of Casper. I think Casper is the best character. BOO! Sincerely,
Tai Chu-Richardson age 5
Harwinton, CT

Dear Tai,
I'm glad you're not scared by me and want to be my friend! It's tough for a ghost to make friends. I hope you keep enjoying my comics and write again soon. - Casper

Dear Harvey Comics,
I have been reading and collecting Harvey Comics off and on now for over 16 years. I now have my wife reading and collecting Casper. I am very happy to see Hot Stuff back. I will always read and collect Harvey Comics.
Sincerely, Albert T. Hinkle

Dear Albert,
Hot Stuff is happier than anyone to be steaming up the comics once again. Your wife will love sharing your comic collecting hobby as it is one of the most enjoyable, time honored pastimes in the world. We're glad Harvey Comics are such an important part of your collection.

We can't wait to hear from you...
